File: 0541.42

ABOUT THE PROGRAM

Coachella Valley Water District (CVWD) is offering a rebate program to eligible commercial, institutional, multi-family residential, and hotel/motel customers within CVWD's service area. Customers who replace toilets using 1.6 gallons per flush (GPF) or greater with water efficient toilets of 1.28 GPF or less, or replace urinals that use 1.0 GPF or greater with waterless urinals, may qualify for a maximum \$140 rebate, or half the cost of the replacement, whichever is less. CVWD will reimburse the customer after all program conditions have been met. This program requires pre-approval.
