   No merit increases in calendar year 2016.
   
   Promotions will be allowed.

3. **RETIREMENT**

1. For employees hired before December 1, 2011:

   a. Effective the pay period following ratification, employees will contribute an additional 2% on a pretax basis toward the CalPERS Employee Contribution rate (totaling 6%).

   b. Effective the first pay period after July 1, 2015, employees will contribute an additional 2% (totaling 8%) on a pretax basis toward the CalPERS Employee Contribution rate.

2. Employees hired after December 1, 2011 who are considered “classic members” will pay the full eight percent (8%) of the CalPERS Employee Contribution rate on a pretax basis.
3. New members hired after January 1, 2013 will pay 50% of the normal cost for the CalPERS 2% @ 62 plan. The normal cost will be determined on an annual basis by a CalPERS Actuarial.

4. The District contracts with CalPERS for the 2.5% @ 55 retirement plan for Classic Members.

5. The District contracts with CalPERS to include the ability for the employees to purchase Military Service Credit at their own expense.

6. The District contracts with CalPERS for the Pre-Retirement Optional Settlement 2 Death Benefit.

4. HEALTH AND WELFARE PROGRAM

All employees who are employed on a full-time basis and working thirty or more (30) hours per week shall be eligible to participate in the group insurance plans provided by the District. Employees may enroll in a group insurance plan during open enrollment or if they have a qualified change in status.

The open enrollment period for the term of this contract will be during the first and second weeks in November of each year.

4.1 EMPLOYEE MEDICAL PLANS.

Employee medical benefits are considered an employment benefit and as such are subject to change. An employee should have no expectation of continuation and the employer reserves the right to alter the benefit for current employees subject to the negotiations process.

1. Eligibility

An employee is eligible for medical benefits after the completion of thirty (30) days of continuous employment. An employee can cover his spouse/domestic partner (DP), dependents up to age 26, or a dependent who is mentally or physically handicapped. Domestic Partners registered with the State of California will be eligible for medical, dental and vision coverage. If an employee has not enrolled in a medical plan within thirty (30) days of their hire date, the employee will be placed in the lowest cost HMO plan.

2. Group Insurance Plans

The District will continue to provide two (2) fully-insured Health Maintenance Organization (HMO) plans and one (1) fully-insured Preferred Provider Organization (PPO) plan to eligible employees, spouses/domestic partners and their dependents through the remainder of the calendar year. Medical plans do not cover services outside the United States.

The District will provide three (3) medical plan options—one (1) HMO Plan, one (1) PPO Plan and one (1) other medical plan (EPO, HMO, POS or PPO)—to all eligible employees and their dependents for the remaining term of this MOU.

The medical plan(s) include(s) prescription drug benefits.

3. Medical Premiums

The total premium in effect on January 1, 2015, and any future increases after this date, is shared by the District and employees. Effective December 27, 2014, the District will pay eighty percent
(80%) of the total monthly premium cost for any group medical plan offered by the District for the duration of this MOU. The employee will contribute twenty percent (20%) of the total monthly premium cost for the group medical plan he/she has elected for the calendar year.

4. Opt-Out of Employee Medical Plans
The District will allow each employee to opt out of the District health care program if they are covered by another health plan. Effective December 27, 2014, any employee who provides to the District evidence of insurance under a separate policy and requests to be deleted from the District's coverage shall receive four-hundred fifty dollars ($450) per month for the entire enrollment year. An employee can elect to opt-out of or re-enroll in the medical plan during open enrollment or if they have a qualified change in status.

If the employee and spouse are both employed at the District, one of the employees may opt out of the medical plan and be covered as a dependent under their spouse's plan. The employee does not receive a monetary amount for opting out of the medical plan. Participation in the dental and vision plans are mandatory and employees cannot opt out of these plans.

4.2 RETIREE MEDICAL PLANS
Retiree medical benefits are considered a post-employment benefit and as such are subject to change, including federal and state laws, and any unforeseen and extraordinary circumstances that are not part of usual and customary business practices.

1. Premiums are paid on a monthly basis. At time of retirement, the employee must remain in the same elected District group medical plan and cannot upgrade plans at retirement.

2. Effective January 1, 2015, and for the duration of this MOU, for retirees with twenty-five (25) or more years of service, the District will pay 80% of the medical insurance premiums for retiree and eligible dependents for the duration of this MOU. The retiree will be eligible to maintain the dependents that are on his/her plan at the time of retirement as long as the dependents remain eligible for coverage. The remaining 20% of the premiums will be paid for by the retiree on a monthly basis.

3. **For Employees Hired AFTER July 1, 2011** Effective January 1, 2015, and for the duration of this MOU, for retirees with fifteen (15) or more years of service, the District will pay 80% of the medical premiums insurance premiums for the retiree only for the duration of this MOU. The remaining 20% of the premiums will be paid for by the retiree on a monthly basis.

4. **For Employees Hired BEFORE July 1, 2011** Effective January 1, 2015, and for the duration of this MOU, for retirees with ten (10) or more years of service, the District will pay 80% of the medical premiums insurance premiums for the retiree only. The remaining 20% of the premiums will be paid for by the retiree on a monthly basis.

5. Retirees are not eligible for the dental plan. Immediately upon retirement, the retiree will be offered the opportunity to purchase dental insurance and pay premiums at their own expense through COBRA for a maximum of eighteen (18) months.

6. Retirees are not eligible for the vision plan. Immediately upon retirement, the retiree will be offered the opportunity to purchase vision insurance and pay premiums at their own expense through COBRA for a maximum of eighteen (18) months.
A. Retiree Medical Premiums

1. All premiums are due within thirty (30) days of receipt of the invoice. After thirty (30) days, a late notice will be sent along with the invoice for the following month’s premiums. If the medical premium invoice is ninety (90) days past due, medical coverage may be cancelled. If the retiree medical plan is cancelled, a retiree cannot re-enroll in any District group retiree medical plan until open enrollment or if they experience a qualified change in status. Any additional costs beyond what the District had been paying at time of cancellation will be at the retiree’s expense.

2. If a retiree marries after his/her retirement date, the spouse is not eligible for District group medical plan benefits. Retirees will be offered a chance to choose a plan when eligible for benefits during open enrollment or after a qualified change in status.

3. When a retiree or eligible spouse/domestic partner becomes Medicare-eligible, the retiree or eligible spouse/domestic partner will no longer be eligible for the District group medical plans or prescription drug plans. At that time he/she would then enroll in a Medicare plan and, if eligible and at the discretion of the retiree, the Medical Supplemental Insurance Program.

4. Opt-Out of Retiree Medical Plans

The District will allow each retiree to opt out of the District retiree health care program if they are covered by another retiree health plan. Effective December 27, 2014, any retiree who provides to the District evidence of insurance under a separate policy and requests to be deleted from the District’s coverage shall receive four-hundred fifty dollars ($450) per month for the entire enrollment year. A retiree can elect to opt-out of or re-enroll in the medical plan during open enrollment or if they have a qualified change in status.

If the retiree and spouse are both retirees of the District, one of the retirees may opt out of the medical plan and be covered as a dependent under their spouse’s plan. The retiree does not receive a monetary amount for opting out of the retiree medical plan.

4.3 DENTAL PLAN

The District offers employees a self-insured PPO dental plan. Employees must enroll their spouse/domestic partner or eligible dependents in the plan. Effective December 27, 2014, the District pays 80% of the total premium cost for employee and family coverage under the dental plan. An employee cannot opt out of the dental plan. The remaining 20% of the premiums will be paid for by the employee through payroll deduction on a bi-monthly basis.

4.4 VISION PLAN

The District offers employees a self-insured PPO vision plan. Employees must enroll their spouse/domestic partner or eligible dependents in the plan. Effective December 27, 2014, the District pays 80% of the total premium cost for employee and family coverage under the vision plan. An employee cannot opt out of the vision plan. The remaining 20% of the premiums will be paid for by the employee through payroll deduction on a bi-monthly basis.
4.5 LIFE INSURANCE AND ACCIDENTAL DEATH AND DISMEMBERMENT PLANS

The District will provide District employees with group term life insurance coverage of one and one-half (1 ½) times their annual salary with a minimum benefit of fifty thousand dollars ($50,000) to a maximum benefit of three-hundred fifty thousand dollars ($350,000). Once an employee reaches the age of 65, the benefit is reduced to 65% of one and one half (1 ½) times salary or $50,000 whichever is greater. The benefit percentage continues to be reduced on a set scale until the employee reaches the age of 70. At age 70, the maximum benefit is reached at 50% of one and one half (1 ½) times salary or $50,000 whichever is greater. The District pays the full cost of the life insurance and AD&D insurance premiums for employees, spouses/domestic partners and eligible dependents.

At the time of retirement or termination, employees will be offered the option to convert the group term life insurance policy to an individual term life insurance policy. The employee has thirty (30) days from their retirement or termination date to elect the conversion policy and pay premiums at their own expense.

Employees covered by nondiscriminatory employer-provided group life plans are taxed on the face amounts exceeding fifty thousand dollars ($50,000) as imputed income. The taxable amount is calculated using five-year age bracketed rates stipulated in regulations and referred to as Table I Rates.

4.6 FLEXIBLE SPENDING ACCOUNTS (FSAS)

The District will offer employees three (3) Flexible Spending Accounts (FSAs) under IRS Revenue Code 125, which governs all cafeteria plans, at no cost to the employee. An employee can participate in the plan once a year and must enroll in the plan each year during open enrollment. Midyear participation is only available to new employees or those employees who have a qualified change in status. The maximum amount that you can contribute per year is based on the IRS Code for Cafeteria 125 plans. The plan year begins on January 1 and runs through December 31.

1. Health Care FSA

The Health Care FSA provides employees with an opportunity to pay for medical, dental, vision and hearing out-of-pocket expenses on a pretax basis. Employees are reimbursed up to the amount pledged for the calendar year.

2. Dependent Care FSA

The Dependent Care FSA provides employees an opportunity to pay for child or elder dependent care out-of-pocket expenses on a pretax basis. Employees are reimbursed up to the amount they have contributed to date to the plan for the calendar year.

3. Premium Only Plan

The Premium Only Plan provides employees an opportunity to pay for medical, dental, vision and long-term disability employee premium contributions on a pretax basis.

If any of the plans are held invalid or unenforceable by the IRS, its invalidity or unenforceability shall not affect any other provisions of the Plan and the Plan shall be construed and enforced as if such provision had not been included herein. If the entire plan is held invalid or unenforceable by the IRS, it shall not invalidate this MOU.
4.7 LONG-TERM DISABILITY (LTD) PLAN
The District will offer employees a Long-Term Disability Insurance Plan that provides sixty-six and two-thirds percent (66-2/3%) of the employee’s salary (up to a maximum of $10,000 per month and subject to integration) up to age sixty-five (65). All employees must participate in the LTD Plan and premiums are paid by employees on a pretax basis.

4.8 DEFERRED COMPENSATION
The District offers 457 deferred compensation supplemental retirement plans subject to continued qualification of such plan under the law. Participation is voluntary. An employee is eligible to enroll at any time during the year. An employee selects a fixed dollar amount or percentage of their salary to be deducted on a pretax basis from each paycheck throughout the year. An employee can contribute up to the maximum dollar limit allowed by the IRS. The plan offers employees an option of taking a loan of fifty percent (50%) of their assets or fifty thousand dollars ($50,000), whichever is less. An employee may take a hardship withdrawal subject to the Human Resource Director’s approval. The supplemental deferred compensation benefit is in addition to the PERS retirement plan.

4.9 WELLNESS PROGRAM
Employees, spouses, registered domestic partners, and retirees covered by this MOU shall be permitted to participate in a Wellness Program intended to reduce job-related stress and improve general physical and mental health. The Wellness Program shall consist of, but not limited to, a preventive health measures evaluation, gym membership incentive, steps program, weight loss program and smoking cessation program. The wellness program is subject to change. Participation will not be used as a punitive measure. Employees and retirees will have access to a thirty (30) minute session each month with the onsite Wellness Coach.

4.10 VOLUNTARY BENEFITS
All employees are eligible to participate in voluntary benefits offered by the District. Employees pay the full cost of premiums on an after-tax basis. The availability of voluntary benefits is subject to change during the length of this MOU. Voluntary benefits may include the following:

1. Supplemental Life Insurance
   In addition to the group term life insurance benefits provided by the District, employees may subscribe voluntarily and at their own expense for supplemental life insurance during open enrollment.

2. Short-Term Disability Insurance
   As a supplement to the Long-Term Disability Plan, employees may elect to participate in the short-term disability (STD) plan at their own expense. The plan will pay sixty-six and two-thirds percent (66-2/3%) of their monthly salary (subject to integration) based on a seven (7) or fourteen (14) day elimination period up to one year from the date of the disability.

3. Long Term Care Insurance
   Long-Term Care insurance is available to employees and their spouse/domestic partners at their own expense during open enrollment.
5. SICK LEAVE

Officers and regular employees of the District shall be granted sick leave credits at the rate of one (1) working day for each full month of service but which shall not be available for use during the first six (6) months of service. Sick leave shall not accrue during any thirty (30) calendar days’ absence without pay.

The General Manager shall authorize department heads to approve sick leave applications that do not exceed three (3) days; a doctor’s verification is required for periods longer than 3 days. If no doctor’s verification is secured for sick leave longer than 3 days, a written statement by the employee acceptable to the General Manager is required. Unauthorized sick leave shall be subtracted from vacation leave of record.

Sick leave may be advanced to an employee at the discretion of the General Manager, when all other sick leaves of record have been used. Upon termination, a salary reduction shall be made covering the monetary value of any leave so advanced and not paid back.

Unused sick leave credits shall be accumulated from year to year to a maximum of three hundred sixty (360) hours in a Sick Leave Fund to be used by the employee as needed for approved sick leave.

Upon retirement from the District, an employee’s unused sick leave and Emergency Health Fund of record shall be covered as follows:

Up to four hundred eighty (480) hours of accrued sick leave and emergency health fund combined shall be paid to the employee at the rate of one hundred (100%) percent. All accrued sick leave and emergency health fund beyond the four hundred eighty (480) hours will be paid at fifty (50%) percent of cash value.

   A. As pay at the employee’s current rate.
B. As vacation leave.

8. EDUCATIONAL REIMBURSEMENT
The District will provide an educational reimbursement amount to two thousand ($2000) dollars for lower division college level classes including approved home study courses. The District will provide an educational reimbursement to four thousand ($4000) dollars for upper division classes (3rd year and higher) college or graduate level classes of approved, job related degree programs effective for classes beginning after the effective date of the MOU.

Approved Study Courses
1. Passing grade of “C: or better or “pass” designation must be received to be eligible for reimbursement.

2. Reimbursement will be for tuition, registration and books when accompanied by proper receipts and documents.

3. The Human Resources and General Manager must approve courses prior to enrollment.

4. Reimbursement will be for the fiscal year of course completion.

9. LICENSE AND CERTIFICATIONS
The District will reimburse employees for any license or certification fee that is required by the District, including any renewals. This does not include Class “C” driver’s licenses.

The District will allow up to sixteen (16) hours of paid time to attend classes for Contact hours required for renewal of their current certification that is needed for their classification series. This time will not be used in overtime calculations.

Organizational membership fees may be reimbursed if the membership is beneficial to the employee’s job duties and is subject to Department Head approval.

9.1 CRANE OPERATOR PAY
Any Equipment Operator I, Distribution Operator II, Distribution Operator III, Collections Systems II, Collections Systems III, Mechanical Technician I, or Mechanical Technician II who
meets the three criteria listed below will be eligible to receive a five percent (5%) increase in pay.

1. The employee’s supervisor determines that it is reasonable to expect that the employee is required to operate a crane on a regular basis.
2. The employee’s Department Head determines that there is a need for additional crane operators within the department.
3. The employee obtains certification from the National Commission for the Certification of Crane Operators (NCCCO). This certification is recognized by OSHA who independently provides verification that the employee has met OSHA’s training requirements.

This is a one-time increase. Should additional equipment certification be required, there will be no additional compensation.

Employee will lose the additional pay should they not maintain the certification.

Should an employee transfer to another classification where the certification is not applicable, the employee will no longer receive the certification pay.

2. One (1) Zaniero II and one (1) Zaniero III, will be assigned to standby duty. The Zanjeros assigned to standby duty will have the use of a District vehicle for transportation to and from the District during the days they are scheduled for work and will have the responsibility to respond after hours with the District vehicle as needed by District activities. Other Zanjeros will not have the use of a vehicle for transportation to and from the District unless approved by the Department Head during times of emergency or in the
best interest of the District. Zanjeros are not required to carry a pager unless assigned stand by duty.

3. Zanjeros are eligible for call-out pay, standby pay and shift differential as per other sections of this memorandum.

11. SCHEDULE CHANGES
Given the responsibilities of the District to its customers, public health and emergencies, whenever practical, employees affected by temporary schedule changes shall be given five (5) days written notice of intended change.

Schedule changes due to shift rotation shall authorize time away from an employee's job responsibility. Loss of pay for that period is a condition of employment. A schedule change absence shall not influence an employee's benefits or an employee's "month-of-service." "Schedule Change Absence" shall bear no relationship to a "Leave of Absence." (The eleventh (11th) day worked as a result of the schedule change shall be paid as premium time).

12. WORKING OUT OF CLASSIFICATION
A District employee may be assigned to work in another classification for up to three hundred twenty (320) hours in that classification during any twelve (12) month period without special compensation. An employee who believes he or she has been assigned duties beyond three hundred twenty (320) hours in accordance with this policy may either request an informal review by the Human Resources Director or file a grievance.

Concerning the alleged misapplication of a specific provision of the District Ordinance, and
Concerning the alleged misapplication of written rules or regulations governing personnel practices with the exception of rules and regulations concerning employee performance evaluations.

The hearing of a grievance by the Arbitrator will be limited to the written grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.

Matters Excluded from Grievance Process

CVWDEA
This grievance procedure set forth in this Section shall not apply to matters:
Covered by the Labor Relations Ordinance,
Concerning Performance Evaluations, except that evaluations may be grieved to the level of the Human Resource Director,
Concerning non-disciplinary oral and written counseling and retraining,
Concerning any discipline or termination covered by the Article 33, Discipline and Dismissal, and
Concerning any other subjects, unless the subject is covered by the express terms of this Memorandum or any portion of a District or departmental policy or procedures that relates specifically to wages, hours, and other terms and conditions of employment.

Informal Discussion with Employee’s Supervisor
Before proceeding to the formal grievance procedure, an employee shall discuss the grievance with the immediate supervisor and attempt to work out a satisfactory solution. The employee shall have the option to have a CVWDEA representative or steward present, provided it does not unreasonably delay the process.

Grievance Petition Form
If the employee and the immediate supervisor cannot work out a satisfactory solution, the employee may then choose to represent himself individually, or the employee may request the assistance of a representative or steward, in reducing to writing and formally presenting the grievance on a Grievance Petition Form. Formal grievances must be filed on the Grievance Petition Form. Each section of the Grievance Petition Form must be filled out and shall specify dates, times, places, persons and other facts necessary to have an understanding of the matter being grieved. The employee or his representative must obtain and include a grievance number from the Human Resources Director. Incomplete Grievance Petition Forms will be rejected and must be re-filed either within the time limits or within seven (7) calendar days after the rejection, whichever comes later.

Submission of Grievance to Employee’s Department Head
If the employee chooses to formally pursue a grievance, the employee shall present a filled out Grievance Petition Form to the Human Resources Director within fifteen (15) calendar days from the date upon which event occurred upon which the grievance is based, or within fifteen (15) calendar days from the date the employee should have known of the event upon which the grievance is based.

The Human Resource Director will forward the Grievance Petition Form to the Department Head for consideration. The Department Head shall return a copy of the written Grievance Petition Form to the employee with the Department Head’s answer in writing within ten (10) calendar days after receipt of the written grievance. If the grievance is not resolved at this level, the employee shall have ten (10) calendar days from receipt of the Department Head’s answer to file an appeal to the Human Resources Director.

By mutual agreement of the parties, the submission of the grievance to the Department Head may be waived and the grievance moved to the next step.

Submission of Grievance to Human Resources Director
The employee or his/her representative may appeal the decision of the Department Head to the Human Resources Director within ten (10) calendar days of receipt of the Department Head’s
response. The Human Resources Director shall have ten (10) calendar days from receipt of the appeal in which to review and answer the grievance in writing.

At the option of either the employee or District, a grievance meeting may be held at this level. The employee and the employee's representative and/or steward may be present at and participate in any such meeting. If the parties hold a grievance meeting, the Human Resources Director shall have ten (10) calendar days from the date of the meeting to answer the grievance in writing.

If the grievance is not resolved at this level, the employee shall have ten (10) working days from receipt of the written answer within which to file an appeal to the General Manager.

Submission of Grievance to General Manager
The employee or his/her representative may appeal the decision of the Human Resource Director to the General Manager or the Assistant General Manager within ten (10) calendar days of receipt of the Human Resources Director's response. Unless waived by mutual agreement of the employee, the representative and/or steward and the General Manager, or the Assistant General Manager, a meeting is required at this level and the employee and the employee's representative and/or steward shall have the right to be present and participate in such a meeting. The General Manager or the Assistant General Manager shall have ten (10) calendar days following the meeting in which answer the grievance in writing.

Should the grievance not be resolved at this level, it shall thereafter be subject to binding arbitration in the manner prescribed in Section 8.

Binding Arbitration
CVWDEA may appeal the decision of the General Manager within ten (10) calendar days after the receipt of the written answer of the General Manager or Assistant General Manager. After submission of a request for review, CVWDEA and the Human Resource Director, or a designee, shall attempt to agree on an arbitrator.

If the parties cannot agree, they will select an arbitrator from the following panel of five arbitrators: Joseph Gentile; Robert Bergeson; Michael Prihar; Terri Tucker; and, Mark Burstein. The arbitrator shall be selected by striking alternate names from the list. The last remaining name shall serve as the arbitrator. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If any of the aforementioned arbitrators retires or is otherwise no longer available to serve on the panel, the parties will mutually agree on a replacement arbitrator. If either party wishes to have a transcript of the arbitration proceedings, the requesting part will be solely responsible for all costs associated with the transcript. If both parties request a transcript, the cost will be shared equally.

The expenses of the arbitrator, if any, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any District employee called as a witness shall be released from work without loss of compensation or other benefits for the time needed to testify at the arbitration hearing. Arrangements for employee witnesses shall be made through the Human Resource Director, or designee at least two (2) working days in advance of the hearing date.

Prior to the arbitration hearing, CVWDEA and the Human Resource Director, or a designee, shall meet and attempt to prepare a joint statement of the issues which describes the existing
controversy to be heard by the arbitrator. If the parties are unable to agree on a joint statement, each shall prepare a separate statement of issues.

The arbitrator shall not decide any issue not within the statement of the issues submitted by the parties. This includes issues that have not been raised and considered at an earlier step of the grievance procedure.

If the arbitrator sustains the grievance, a remedy shall be fashioned that does not conflict with the provisions contained in this Memorandum.

The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions.

Any arbitration expenses incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.

The provisions of Section 8, Binding Arbitration, shall expire upon the termination of this Agreement.

Failure of Timely Action
Any of the timelines set forth in this section may be extended by mutual agreement of the parties. Failure of an employee to file an appeal within the required time period at any level shall constitute an abandonment of the grievance, unless an extension has been agreed upon.

DISCIPLINE AND DISMISSAL

Discipline
Disciplinary actions shall include only the following: written reprimand, suspension without pay, demotion, and dismissal.

A copy of any written notice of disciplinary action will be placed in the employee’s personnel file and a copy shall be provided to the employee with an opportunity for a written rebuttal. Disciplinary action may be imposed upon an employee for failure to perform the duties of his/her assigned duties or for violating work rules.

Progressive Discipline
A progressive discipline procedure is intended to give employees advance notice whenever possible, of problems regarding their conduct or performance in order to provide them with guidance and an opportunity to correct any problems. Progressive discipline involves informing the employee what conduct or performance is expected, what conduct or performance the employee has engaged in, and what action will be taken if the problem is not corrected. The progression of discipline is as follows unless the Human Resources Director or the General Manager determines that the seriousness of the event warrants by passing one or more levels:

1. Written reprimand
2. Suspension without pay
3. Demotion
4. Termination of employment
Oral counseling and/or retraining may precede discipline, but does not constitute formal discipline.
Progressive discipline must be timely and should follow, as closely as possible, the incident requiring disciplinary action.
Any written counseling or warning shall be signed and dated by the employee, indicating only acknowledgment of receipt of the document, not agreement. If the employee refuses to sign the document, an employee representative or supervisor may sign that the employee was given a copy of the document but refused to sign.

Administrative Leave
An employee may be placed on paid administrative leave by District during District investigations.

Probationary Employees
The provisions of this Article shall not apply to newly hired employees who have not completed an initial probationary period. It is understood that the probationary period is a part of the selection process and designated to allow evaluation of an employee's fitness for regular status.

Pre-Disciplinary Procedure
If a regular non-probationary employee is to be suspended, demoted, or discharged, he shall:
Receive written notice of the intended action, stating the specific grounds and the particular facts upon which the action is based;
Receive copies of any known materials, reports or other documents upon which the intended action is based;
Be accorded the right to respond in writing within a reasonable period of time to the intended charges;
Be accorded the right to meet within a reasonable period of time with the Human Resources Director or a designated Department Head who has the authority to recommend modification or elimination of the intended disciplinary action; and
Be given the written decision of the Human Resources Director within five (5) business days of the meeting.

Appeal Procedure - Arbitration
If a regular employee is to be suspended without pay for 40 hours or more, demoted, or discharged, he shall be afforded the right to appeal that action pursuant to the appeal procedure set forth in this Section.

A written request for arbitration must be filed by either the employee or CVWDEA with the Human Resources Director within five (5) days of receiving the decision from the pre-disciplinary hearing.

The parties may mutually agree upon the selection of an arbitrator or they will select an arbitrator from the following panel of five arbitrators: Joseph Gentile; Robert Bergeson; Michael Prihar; Terri Tucker; and, Mark Burstein. The arbitrator shall be selected by striking alternate names from the list. The last remaining name shall serve as the arbitrator. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If
any of the aforementioned arbitrators retires or is otherwise no longer available to serve on the panel, the parties will mutually agree on a replacement arbitrator.

If either party wishes to have a transcript of the arbitration proceedings, the requesting party will be solely responsible for all costs associated with the transcript. If both parties request a transcript, the cost will be shared equally.

The expenses of the arbitrator, if any, shall be shared equally by the parties. In the event that an employee is not represented by CVWDEA in the arbitration, the expenses of the arbitrator shall be borne by the District, unless the employee elects to share the expenses. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any District employee called as a witness shall be released from work without loss of compensation or other benefits for the time needed to testify at the arbitration hearing. Arrangements for employee witnesses shall be made through the Human Resource Director, or designee at least two (2) working days in advance of the hearing date.

Any arbitration expenses incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.

Within 10 days after the selection of the arbitrator, the parties shall schedule an arbitration date(s), unless all parties agree to extend this deadline.

The employee may be represented by legal counsel in the arbitration.

The arbitration shall be informal and the rules of evidence prescribed for duly constituted courts shall not apply.

Hearings shall be conducted in accordance with rules and procedures adopted or specified by the arbitrator, unless the parties mutually agree to other rules or procedures for the conduct of such hearings.

The arbitrator shall, within 30 days of the conclusion of the aforementioned arbitration, render his decision, in writing, and shall direct copies to the Human Resources Director or designee, the employee and the employee's representative (if any).

The decision of the arbitrator shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum.

The decision of the arbitrator may sustain, modify, or revoke the disciplinary action and shall be final and binding on the parties.

The decision of the arbitrator can be appealed pursuant to Code of Civil Procedure section 1094.5.

The classifications of Electrician and Electronic Technicians are required to wear Flash Arc Protection Uniforms in accordance with the National Fire Protection Association, 70E of the Standard for Electrical Safety in the Workplace, to perform their job. The "injured" or "owner of the damaged", may file suit for recovery of damage from the "Good Samaritan" and the health care facility has the "authority" to require identification of the person who delivers an "injured."

The District insures itself for liabilities of these kinds. This insurance coverage may not keep the "injured" from filing suit against the "Good Samaritan."

An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department or classification, that the more senior person does not possess, subject to the approval of the Human Resources Director. Factors such as competency and efficiency of employees may be considered if the standards by which these factors can be measured is specified.    B. The effective date of the layoff
   C. If laid off out of seniority, the reasons

5. An employee who has received an official notice will be notified and allowed to apply for any open position that has been approved by the General Manager for which they are qualified. Employees will be screened by Human Resources to ensure applicants have the necessary skills, knowledge, and abilities to qualify for a position.

6. Prior to the effective date, the General Manager will give each affected employee a letter stating that the layoff was due to a reduction in force.
7. Affected employees shall be eligible for recall, if the District has a need to refill the previously affected classification, for twelve (12) months after the effective date of the layoff. Eligible employees will be considered for recall based on the District’s needs and individual skill, knowledge and other factors the District normally considers in selecting individuals for positions. Affected employees will be treated as internal candidates, during the first twelve (12) months after the effective date, and may apply for any posted internal positions.

Laid off employees rehired within twelve (12) months of the layoff to any classification shall be entitled to:

8. In the case of layoff of a regular employee of the District through no fault of their own, and who has been employed for over one (1) continuous year, severance pay equivalent to one bi-weekly salary payment shall be made to the employee. Resignation or termination for cause shall not entitle an employee to severance payment.

41. CONTRACTING OUT
The District, at the discretion of the General Manager, may contract out the work of any classification.

The District has no current initiative to eliminate bargaining unit jobs as a result of contracting out work. In the event that such an initiative becomes necessary in the future, the District agrees to meet and confer with bargaining unit representatives.

If, however, the contract or subcontract will require a layoff of employees, the District will follow the procedures outlined in the Reduction in Forces section.

The District will make a reasonable attempt to avoid layoffs.

42. PROHIBITION OF JOB ACTION
During the term of this memorandum of understanding, neither CVWDEA, its stewards, nor its members will authorize, institute, aid, condone, or engage in a work slowdown, work stoppage, strike or other effort towards interference with the work or statutory functions of the District. CVWDEA, its stewards and its members, agree not to engage in unlawful job actions. Violators shall be subject to disciplinary action.

44. **EXISTING BENEFITS**

All wages, hours, terms and other conditions of employment, shall continue in effect during the term of this memorandum except as herein specifically modified.

The District will notify CVWDEA if the General Manager reclassifies a position covered by the agreement.

Prior to decreasing any salary ranges in this agreement, the District will provide CVWDEA with notice and opportunity to negotiate.

A representative from CVWDEA will be allowed to provide the new employee with CVWDEA enrollment information and a copy of the MOU during new employee orientation.

49. **NEGOTIATIONS**

Released time from regularly scheduled work for negotiations for this agreement will be as provided in section 18 in the employee-employer relation’s ordinance. Regularly scheduled meal breaks are not part of released time.

Employee Statements
No employee is authorized to make a statement on behalf of the District. The only authorized employees to make such statements are members of the Communication & Legislative department and/or the General Manager/Chief Engineer or his/her designee.
**Personal Communications**
There are many Coachella Valley Water District employees contributing to online spaces such as social networking sites, wikis, forums and photo and video sharing sites. No employee is allowed to post photos, videos, etc. of any District event without written permission from the District.

Here are some basic guidelines you should follow if you choose to participate in online communications:

**A. Use Disclaimers**
If you choose to identify yourself as a Coachella Valley Water District employee or discuss matters related to the Coachella Valley Water District on a social networking site, personal Web site, or blog, many readers will assume you are speaking on behalf of the Coachella Valley Water District. Therefore, you must make it clear that the views you are expressing are yours alone and not necessarily those of the Coachella Valley Water District. Do not use logos or pictures that may imply that you are speaking/writing on behalf of the Coachella Valley Water District. You may want to look at some examples of typical disclaimer language used on other web sites. If you choose to share your political or religious stances online, be certain you are representing yourself and not the organization as a whole.

**B. Be Considerate**
Remember that anyone, including your colleagues, may be actively reading what you publish online. In choosing your words and your content, it's a good practice to imagine that your supervisor and your family are reading everything you post. It's all about using good judgment: using your online postings to bash or embarrass the Coachella Valley Water District, our customers, or your co-workers isn't smart or professional. Suggestions for improvements at the Coachella Valley Water District should be made through the proper channels.

If you witness illegal, unsafe or unethical conduct by a Coachella Valley Water District employee, you should report your concerns to your supervisor, department head, or Human Resources. This includes issues such as:

- Theft, fraud or any other dishonest conduct
- Discrimination or harassment
- Waste or abuse of Coachella Valley Water District resources
- Conflicts of interest
- Unsafe situations
- Mismanagement

**C. Respect Work Commitments**
Please remember that social networking activities are personal and should be done on your own time unless you have specifically been assigned to perform an online activity related to your responsibilities as an employee of the Coachella Valley Water District.

Remember that you are responsible for what you choose to share online. All online statements found violating federal, state, and/or local laws will be subject to disciplinary action and possible prosecution. This includes the laws and statutes pertaining to harassment, discrimination, as well as violation of the Coachella Valley Water District's policies and procedures.
HARASSMENT AND ABUSIVE CONDUCT PREVENTION

Harassment and/or abusive conduct of an applicant or an employee by a supervisor, management employee, co-worker, vendor, customer or union representative is not allowed. Harassment on the basis of race, color, national origin, ancestry, religion, sex, age, physical disability, mental disability, medical condition, marital status, pregnancy, sexual identity, or sexual orientation will not be tolerated.

This policy applies to all workplace behaviors and forms and conditions of employment, including but not limited to, hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leaves of absence, compensation and training. It also applies to any District employee acting on behalf of the District off the job site.

Disciplinary action up to and including termination may be instituted for behaviors described in the definition of harassment referred to below.

Any retaliation against a person for filing a harassment charge or making a harassment complaint is prohibited. Employees found to be retaliating against another employee shall be subject to disciplinary action, which may include termination.

Definition:

Harassment includes, but is not limited to:

Speech, such as lewd propositioning, epithets, stereotypical or derogatory comments or slurs on the basis of race, color, national origin, ancestry, religion, sex, age, physical disability, mental disability, medical condition, marital status, pregnancy, or sexual orientation. This might include inappropriate sex-oriented comments on appearance, including dress or physical features, or race, ethnicity-oriented stories or jokes.

Physical acts such as assault, impeding or blocking movement, or offensive touching, or any physical interference within normal work or movement when directed at an individual on the basis of race, color, national origin, ancestry, religion, sex, age, physical disability, mental disability, medical condition, marital status, pregnancy, or sexual orientation.

Visual insults, such as derogatory posters, cartoons, or drawings related to race, color, national origin, ancestry, religion, sex, age, physical disability, mental disability, medical condition, marital status, pregnancy, or sexual orientation.

Abusive Conduct includes but is not limited to:

Conduct of an employer or employee in the workplace, with malice, that a reasonable person would find hostile, offensive, and unrelated to an employer’s legitimate business interests. It may include repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person’s work performance. A single act shall not constitute abusive conduct, unless especially severe or egregious.

Complaint Procedure:

An employee or job applicant who believes he or she has been harassed or a victim of abusive conduct has a responsibility to immediately make a complaint either orally or in writing with any of the following:
• Immediate supervisor:
• Any supervisor or management employee within the department, including the department head.
• The Human Resources Director or his or her designee.

Any manager, supervisor, employee or union representative who receives a harassment complaint shall immediately notify the Human Resources Director or his or her designee.

Employees are to refer individuals to the Human Resources Director when allegations or concerns of unlawful harassment are raised. If an employee believes that unlawful harassment has occurred, they should report the incident to the Human Resources Director, even if the affected employee does not wish to report it. The employee should regard all information reported to the Human Resources Director as confidential and should not share it with other employees, except as required.

The District will handle complaints of any type of harassment immediately. Appropriate steps will be taken by Human Resources and employees to resolve complaints as confidentially as is possible. In addition, the District recognizes that false accusations of sexual harassment can have serious effects on innocent women and men. Therefore, sanctions will also be imposed, as appropriate, on those who intentionally make false - rather than good faith, but erroneous - accusations. The District will impose the sanctions in a timely manner.

Unlawful harassment does not refer to occasional compliments of a socially acceptable nature. Unlawful Harassment refers to behavior that is not welcome and that is offensive.

An employee or job applicant also has the right to file a complaint with the state Department of Fair Employment and Housing or the federal Equal Employment Opportunity Commission.
Regulations Governing Substance Abuse

Purposes

The District recognizes that in order to maintain a safe, effective and productive work environment, it is necessary to identify job applicants and employees who are currently using alcohol, marijuana, cocaine and other drugs that might interfere with job performance.

The purposes of this policy are as follows:

1. To establish and maintain a safe, healthy working environment for all employees.
2. To reduce the incidence of accidental injury to person or property.
3. To reduce absenteeism, tardiness and indifference to job performance.
4. To provide assistance toward rehabilitation for any employee who seeks the District's help in overcoming any addiction to, or problem with, alcohol and other drugs.

This policy supplements, but does not replace, disciplinary rules and procedures currently in force relating to the use of alcohol or other drugs or to job performance.

Definitions

Drugs. Any chemical substance, which produces physical, mental, emotional or behavioral changes in the user. For purposes of this policy, the word "drugs" includes but is not limited to Alcohol, Marijuana, Cocaine, Heroin, PCP, Methedrine, LSD, all prescription medications, sedatives and narcotics.

Alcohol. Alcohol is a drug. It is a central nervous system depressant. Alcohol is the major intoxicating ingredient in beer, wine and distilled liquor.

Intoxicating Substance. Any substance which produces changes in the physical, mental, emotional state or behavior, for example, glue and paint thinner, in addition to alcohol and other drugs.

Pre-employment Testing. The District will begin testing job applicants as part of the pre-employment medical examination in order to identify those applicants whose current use of drugs could interfere with their prospective job performance.

Procedure.

1. All applications for employment will contain a statement to prospective applicants advising them that the selection procedure include taking and passing a pre-employment medical examination, which includes testing for the presence of drugs or other intoxicating substances.
2. Applicants who are referred for a pre-employment examination will be required to sign consent forms authorizing the substance screening and the release of the test results to the authorized District.

3. Any applicant who refuses to sign the consent form(s) or to submit to testing will not be considered for employment.

4. Test results are confidential and will not be released except to appropriate District personnel, the applicant upon written request, or pursuant to court order.

5. Testing will be conducted by a clinical laboratory licensed by the State Department of Health Services or a public health laboratory certified by the State.

6. Testing will be one of the following forms:

   C. Blood test.

7. Applicant's whose test results are negative for drugs will be deemed to have passed that portion of their medical examination.

8. Test analysis that results in a positive indication of the presence of drugs will automatically require reanalysis of the original sample by an alternative method.

9. If the reanalysis reflects a negative indication, the applicant will be deemed to have passed this portion of the medical examination.

10. Where the reanalysis results in a second indication of the presence of an intoxicating substance, the applicant will not be considered for employment but may reapply after a period of one year has elapsed.

11. Applicants who are taking medication prescribed by a physician will have so indicated on the examination form and any positive indications related to the presence of that medication will not prohibit employment, if the applicant's physical condition would not otherwise prevent employment.

**Employee Substance Abuse Testing**

1. **Policy**

   A. The District recognizes that substance abuse is a national problem and that substance abuse can result in injury, physical and monetary loss, death and human suffering. In response to this problem, the District hereby adopts a policy to help identify employees whose use of alcohol, drugs and other intoxicating substances affects their performance in the work setting.
B. It is the District's intention to not only identify employees with substance abuse problems, but also to offer assistance to those employees who are willing to accept help with their problems.

C. This policy supplements, but does not replace, disciplinary rules and procedures currently in force relating to violations of District policy with regard to the use of drugs or alcohol or to job performance.

2. **Procedure.** The District will give each new employee a copy of this policy, receipt of which will be acknowledged by signature of each employee, to be kept in the employee's personnel file.

3. **When Testing Will Occur.** An employee will be required to submit to a test for the detection of drugs or other intoxicating substances in the following situations:
   A. When the employee reports to work and is apparently intoxicated or under the influence of an intoxicating substance; for example, staggers, smells of alcohol, exhibits thick or slurred speech or is incoherent.
   B. Drinks alcoholic beverages or uses drugs while on the job.
   C. When any of the following incidents occur:
      1) An employee is involved in an accident while using a company vehicle.
      2) An employee is involved in an accident that causes injury to persons or property.
      3) An employee exhibits dangerous or bizarre behavior.
      4) An employee is required to submit for testing under the provisions of the Department of Transportation Commercial Driver’s license program.
      5) It is clearly determined at the time of the accident, the employee was not at fault, the testing maybe waived only with prior approval from the Human Resources Director or their designee.

4. **Investigation.** When any of the above incidents triggers the possibility of requiring the employee to submit to a test, the Human Resources Director should, if at all possible:
   A. Make personal contact with the employee to determine if there are factors present that would indicate that the employee may be under the influence of, or may have used a drug or intoxicating substance.
   B. Collect and record all facts pertinent to the reasons for suspecting substance use.
   C. If it appears that the employee may be involved in such use of drugs or intoxicating substances, refer to the appropriate party, or, if the employee is injured and being treated for the injury, arrange for a test at the treating facility.
5. **Results of Test**

A. All test results are negative, the employee will continue in service.

B. Test analysis that results in a positive indication of the presence of drugs will automatically require a reanalysis of the original sample by an alternative method. If the test is positive after reanalysis, the employee will either:
   1) Be disciplined pursuant to disciplinary procedures set forth in existing District policy, and/or
   2) Be placed on medical leave of absence until found to be medically fit to return to work.

6. **Voluntary Assistance.** Alcoholism and drug addiction are treatable illnesses and the District encourages employees to seek professional assistance with substance abuse problems.

   In line with this policy, the District hereby adopts the following procedure for those employees who voluntarily seek competent medical assistance:

   A. Any employee who requests time off work to enter into a certified substance abuse treatment program such as a hospital or state licensed treatment center, will be given a medical leave of absence for a period of up to thirty (30) days.

   B. Cost of the treatment is the employee's responsibility in conjunction with his/her medical insurance.

   C. An employee will not receive any pay or salary while on medical leave except for accrued sick leave benefits or other disability benefits to which he/she is individually entitled.

   D. An employee on medical leave may return to work upon furnishing a physician's statement, which reflects that the employee is medically fit to return to work.

   E. The personnel records of an employee who voluntarily seeks assistance shall not reflect the reason that a medical leave was granted nor shall there be any indication in the personnel file as to any diagnosis, the nature of the problem nor the place or type of treatment sought.

   F. Any information received by the District in regard to an employee who is requesting a leave for this purpose will be kept strictly confidential.

   G. The fact that a District employee has been on leave for treatment of a substance abuse problem shall not affect consideration for future advancement.
H. An employee may request up to two (2) separate periods of medical leave for substance abuse treatment while employed by the District. After a second leave is granted, the District may refuse to grant additional leave depending upon the medical circumstances of each case.

7. Employee Assistance. The District will make arrangements with a local provider for the services of an Employee Assistance Counselor.

The counselor will be available to management and employees to provide assistance in cases in which substance abuse is detected or suspected, or work performance indicates some type of problem that is affecting job performance. Referral to the Employee Assistance Counselor will be either mandatory or voluntary depending on the circumstances of each case.

8. Procedure For Referral To Employee Assistance Counselor

A. Human Resources Director. When a supervisor has noted a decline in an employee's job performance and supervisory action has failed to effect the desired change, a Human Resources Director may refer the employee to the Employee Assistance Counselor for evaluation and recommendation.

1) The Employee Assistance Counselor will determine if the employee's poor job performance is due to a substance abuse or other personal problem and will recommend a course of treatment or action as appropriate.

2) Participation by the employee in the recommended course of treatment is voluntary.

3) Whether or not the employee enters or completes treatment, the District will take the usual and customary disciplinary steps pursuant to District procedure in the event that job performance does not improve.

4) The District personnel records will only reflect that as part of establishing better job performance, the employee was referred to the Employee Assistance Counselor and shall not reflect any diagnosis or recommendation unless the employee consents, in writing, to the release of such information.

B. Self-Referral. Any District employee may contact the Employee Assistance Counselor directly, and in strict confidence, for help with substance abuse.

1) The Employee Assistance Counselor will assist the employee in terms of evaluation and guidance in obtaining proper treatment.

2) If the employee and the Employee Assistance Counselor determine that a medical leave of absence is appropriate, the District will grant the leave upon request of either the employee or the Employee Assistance Counselor.
3) As noted above, no reason need be given for the leave of absence; however, the employee must be actively participating in a recognized program of rehabilitation.

MOTOR VEHICLE SAFETY POLICY - CELL PHONE POLICY

The following policy addresses key areas of motor vehicle safety: Seat Belt Use, Distracted Driving (Cell Phones and Electronic Devices), Personal Cell Phones, Pagers, and Walkie-Talkie Phones, Defensive Driving; and Driving Under the Influence.

SEAT BELTS: District employees are required to wear seatbelts while operating or riding in any District motor vehicle at any time or location. California Vehicle Code Section 27315, better known as the Mandatory Seat Belt Law states in part: “A person shall not operate a motor vehicle unless that person and all its passengers 16 and over are properly restrained by a safety belt”. Please buckle up for safety and encourage fellow employees to follow this law and policy. Seatbelts save lives.

Distracted Driving (District Cell Phones and Electronic Devices): While operating a motor vehicle, employees may not use personal cell phones or other mobile electronic devices. This includes, but not limited to, answering or making phone calls, engaging in phone conversation, reading or responding to e-mails or text messages, adjusting a Global Positioning System (GPS), and accessing the internet or files. If you use a have a District cell phone, you may use a hands free speaker or Bluetooth earpiece, but it is desirable and recommended you not take any calls or pull over safely to the side of the roadway to make or take a call. Safety of our employees and the public is priority. Using a cell phone adds to the chance of being in a crash.

These restrictions do not apply to calls made to report an emergency. In all cases, all cautionary measure should be practiced, especially your own personal safety.

District employees are required to:

• Consider turning off, putting to silent or vibrate phones or other devices before starting the vehicle.
• Pull over to a safe place and put the vehicle in “PARK” if a call must be made or received while on the road. No call is worth the risk.
• Consider modifying your voicemail greeting to indicate that you are unavailable to answer calls or return messages when driving.
• Inform associates, employees, and clients of the District policy as an explanation of why calls may not be returned immediately.
• Pull over to a safe place and put the vehicle in “PARK” to make adjustments to a Global Positioning System (GPS) or other navigation device.
• Do not send, read, or respond to text messages when driving a vehicle. A split second off your only task that matters when driving a vehicle can be the cause of an accident.
• Employees are not to send, read, or respond to electronic mail (email) or text messages.
• Employees are not to take notes or look up phone numbers. Eyes should be on the road at all times.
• For Mobile Data Terminal use; employees must not use the terminal while the vehicle is in motion. This includes reading the screen.
PERSONAL CELL PHONES, PAGERS AND "WALKIE TALKIE PHONES":

- Personal cell phones and pagers should be either turned off or on silent mode during working hours.
- Use of a personal cell phone for texting should be limited to non-working time.
- Employees are prohibited from using the photo feature on camera cell phones on the District premises or whenever the employee is conducting District business, unless the photos are to be used for District business.

DEFENSIVE DRIVING: District employees are expected to drive defensively at all times and obey all traffic laws. This includes adherence to all speed limits, traffic signals, and signs. Defensive drivers are able to avoid dangers on the road by using safe driving practices such as these:

- Be prepared to react to other drivers that may not be driving safe.
- Drive with courtesy and respect other users of the roadway.
- Plan ahead for the unexpected.
- Be able to control speed.
- Be aware of driving in special road and weather conditions.
- Be alert and avoid distractions, e.g., cell phones, eating, and radio distraction.
- Do not expect the other driver to do what you think he or she should do.

DRIVING UNDER THE INFLUENCE: Driving under the influence of alcohol and drugs is against the law and is never allowed.

The District is concerned about the safety and wellbeing of its employees. As a public agency, it is important that we serve as role models and display safe behavior on the road at all times. We are holding employees to the highest standard of safety when behind the wheel of a vehicle.

Violations of this policy are serious and may result in discipline up to and including termination.
WORKPLACE VIOLENCE POLICY

The District recognizes that workplace violence is a concern among employers and employees across the country. The District is committed to providing a safe, violence-free workplace. In this regard, the District strictly prohibits employees, consultants, customers, visitors, or anyone else on District premises or engaging in a District-related activity from behaving in a violent or threatening manner. Moreover, as part of this policy, the District seeks to prevent workplace violence before it begins and reserves the right to deal with behavior that suggests a propensity towards violence even prior to any violent behavior occurring.

DEFINITION:

Workplace violence includes, but is not limited to, the following:

1. Threats of any kind with intent to harm.
2. Threatening, physically aggressive, or violent behavior, such as intimidation of or attempts to instill fear in others;
3. Causing physical injury to another person
4. Other behavior that suggests a propensity towards violence, which can include belligerent speech, excessive arguing or swearing, sabotage, or threats of sabotage of District property, or a demonstrated pattern of refusal to follow District policies and procedures;
5. Defacing District property, causing physical damage to the facilities; or property of another individual
6. Committing acts motivated by or related to sexual harassment or domestic violence
7. Bringing weapons of any kind on District premises, in District vehicles, in private vehicles parked in District parking lots, or while conducting District business. This includes, but not limited to firearms, knives (pocket and utility knives excluded), club, explosives, and incendiary devices.

REPORTING

If any employee observes or becomes aware of any of the above-listed actions or behavior by an employee, customer, consultant, visitor, or anyone else, he or she should notify their Supervisor, Department Head or Human Resources immediately.

If an incident involves an emergency and requires the direct intervention of law enforcement or emergency medical services, immediately call Supervisory Control at extension 2300.

Further, employees should notify Human Resources if any restraining order is in effect, or if a potentially violent non-work-related situation exists that could result in violence in the workplace.
INVESTIGATION

All reports of workplace violence will be taken seriously and will be investigated promptly and thoroughly. In appropriate circumstances, the District will inform the reporting individual of the results of the investigation. To the extent possible, the District will maintain the confidentiality of the reporting employee and of the investigation. The District may, however, need to disclose results in appropriate circumstances, for example, in order to protect individual safety.

Knowingly and intentionally making false accusations is prohibited.

The District will not tolerate retaliation against any employee who reports workplace violence.

CORRECTIVE ACTION AND DISCIPLINE

If the District determines that workplace violence has occurred, the District will take appropriate corrective action and will impose discipline on offending employees up to and including termination.
Electronic Tracking Technology Policy

The Coachella Valley Water District has installed an Electronic Tracking device (GPS) on all district vehicles including pool cars. The GPS allows the District to provide for a more efficient fleet operation, improved employee safety, and better customer service. Heavy equipment (i.e. backhoes, loaders) have been excluded. An Electronic Tracking Technology (GPS) is used to monitor location, elevation and speed of District vehicles.

Weekly reports are generated that provide a supervisor with information regarding number of miles and route traveled, the speed of the vehicle, and idling time. This GPS system will alert supervisors if an employee is travelling at excessive speeds at that moment in time.

All District employees are expected to operate district vehicles in compliance with all state and local laws. Employees are to travel at a safe speed in accordance with posted speed limits. Vehicles should not idle more than 15 consecutive minutes.

The following will be used to determine any potential disciplinary action. Occurrences will be counted on a rolling year basis:

**Speed:**
- 7-9 mph over posted speed limit< 5 occurrences in one calendar month- verbal coaching
- 7-9 mph over posted speed limit > 5 occurrences in one calendar month- progressive discipline
- 10+ mph over posted speed limit>3 occurrences in one calendar month – progressive discipline
- 20+ mph over posted speed limit, one occurrence – progressive discipline

Progressive discipline may be applied if more than 3 verbal coachings are given in any 12 month period.

**Idling:**
- Exceeds 15 minute interval at any given time more than twice a day or week-coaching
- Exceeds 15 minute interval at any given time more than three times a day or week-progressive discipline
- Idling exceptions only under the following conditions:
  - Unless necessary for completing District work that requires engine powered equipment or required by traffic conditions. This includes Mobile Data Terminals.
  - To avoid cases of heat illness, employees may idle vehicles as needed. Any such use must be reported to the employee’s supervisor before the end of the work day, and such use must be in compliance with District Safety training.

**Misuse of vehicle:**
- Out of assigned area once a month- coaching
- Out of assigned area more than once a calendar month- progressive discipline

This document was prepared highlighting the most common causes of disciplinary action that are anticipated. Information acquired by the District using the Electronic Tracking Technology may be used as evidence in disciplinary action for any violation of District Rules, Regulations or any law, whether or not the violation was expressly discussed in this document.

Employees are prohibited from altering or attempting to interfere with signal, alter or disable the Electronic Tracking Device.
Progressive Discipline will be in accordance with a Memorandum of Understanding and District Ordinance 1393, section 7.

This policy will be reviewed after one year with the union.
