LEAD WORKER

DEFINITION

Under general supervision to perform the regularly assigned duties of the class; to provide some leadership and direction for the work of a crew in the absence of the crew chief or supervisor; and to do related work as required.

CLASS CHARACTERISTICS

Leadworker duties will be related to the direction of crews whose skills or abilities require leadership and communication on jobs whose day to day program requires effective communication between supervisory and production personnel. Pay range for these assignments shall be 5% over the employee's regular placement.

DISTINGUISHING CHARACTERISTICS

A thorough knowledge of the job to be done and the skills to demonstrate what to do and how to do it. The leadworker is a working member of the crew.

SPECIAL REQUIREMENTS

Possession of an appropriate California operator's license issued by the State Department of Motor Vehicles. Department of Motor Vehicles driving record may influence employment or classification.

MINIMUM QUALIFICATIONS

One year of employment by the Coachella Valley Water District.
