October

- **Wil Gonzalez** – Laboratory Director, 30 years
- **Jose Lorigo** – Engineering Technician II, 20 years

RETIREMENTS

October

- **Michael Morales** – Technical Services Supervisor, 31 years (*not attending*)

Mike began his 30 plus year career at CVWD on December 26, 1989 as an Engineering Aide I in the drafting division of Engineering. Through the years, the drafting division's name changed to Technical Service. Mike became the supervisor of Technical Services in 2013. Mike was responsible for ensuring that CVWD's departments were supported through various services such as updating plat sheets, preparing drawings and exhibits, plan checking and utility coordination. Mike was always willing to help both internal and external customers and his service at CVWD was greatly appreciated.

December

- **Rene Bocanegra** – Water Reclamation Plant Operator II, 31 years (*not attending*)

Rene has worked for the district for 31 years. Through his years at the district, Rene has worked in other departments such as Irrigation, WRP 10 as an Operator and WRP 7 and 9, and then finally settling at WRP 4. Rene is ending his tenure with our cohesive yet sometimes dysfunctional team of operators at WRP 4. "Rene has been one of the most honest and reliable operators I have worked for," said his Supervisor, Mark Quiroz. "I can truly say that his coworkers or I have never questioned Rene. He is straight up, tell it like

it is type of guy that will always speak his mind and he is respected for that.” Rene knows many “tricks” of the trade and has been a true mentor to other operators when it comes to the Water Reclamation Plants. He has trained many operators on how to deal with certain issues around the plants. When emergencies happened, Rene could always be relied on to fill in for an overtime shift or other odd shifts. His work ethic has remained consistent throughout the years here at the district. Rene is a true asset who will be missed. Mark says, ‘I would like to congratulate him on his successful career and now on his adventures in retirement. He deserves to finally kick off his boots and enjoy the many blessings he has with his family and friends.’ Thank you Rene for all your help, inspiration, friendship and dedication (and we cannot forget the famous chorizo burritos). Enjoy retirement!
