

COACHELLA VALLEY WATER DISTRICT

Residential Efficient Washing Machine Rebate Program

File: 0541.43.1

ABOUT THE PROGRAM

Coachella Valley Water District (CVWD) is offering a residential rebate program for installing a new efficient washing machine (list available at www.energystar.gov). Residential property must be within CVWD's service area. CVWD will offer a maximum of \$150 rebate per installed washing machine. Customers will be responsible for providing a completed application, color photo of the installed washing machine, and sales receipt. CVWD will reimburse the customer after all program conditions have been met.

TERMS AND CONDITIONS

ELIGIBILITY

1. All customers must be the CVWD property owner or the account holder of record for the service address. The residence must be located within CVWD's service area.
2. The customer must have an account in good standing with CVWD.
3. Customer must install an ENERGY STAR certified washer with an Integrated Water Factor of 4.5 or less, listed at www.energystar.gov, to qualify for a rebate.

CONDITIONS

1. Customer must complete and sign a program application.
2. The rebate is limited to one (1) per household for a single-family dwelling; or one (1) rebate application per unit for a multi-family dwelling duplex, triplex or four-plex.
3. Customer agrees to purchase and install an ENERGY STAR certified washing machine with an Integrated Water Factor of 4.5 or less at customer's expense. Eligible models are available at www.energystar.gov.
4. Customer must submit 1) application, 2) receipt(s), and 3) color photo showing proof of installation within 60 days of purchase. The program is not for new construction and is not retroactive to washing machines purchased more than 60 days before the application is received.
5. Customer must provide a cash register receipt along with the sales invoice, if one is issued, indicating the make and model purchased from a home improvement store, or other retail outlet that sells new washing machines. For washing machines purchased through a plumber or contractor, the invoice from the contractor with the make, model, and cost of the washing machine stamped "Paid in Full" will be acceptable as proof of payment. Installations may be subject to site visit inspection.
6. Customer agrees that when all program conditions are met, CVWD shall reimburse an amount up to One Hundred and Fifty Dollars (\$150) per washing machine. A rebate check will be mailed to the applicant within 60 days.
7. Customer has read and agrees to the program conditions and the following disclaimer:

Coachella Valley Water District reserves the right to offer this program. By applying for or participating in any component of CVWD's programs, personal information listed on your application may be subject to disclosure to any member of the public who requests it pursuant to the California Public Records Act.

Coachella Valley Water District administers the Residential Efficient Washing Machine Rebate Program on a first-come, first-served basis, subject to availability of funds and all other applicable program conditions. This program may be discontinued or modified at any time. By participating in the program, you waive and release Coachella Valley Water District from any and all claims and causes of action arising out of the purchase, installation, or use of the washing machine. Any claim you may have based upon any defect or failure of the performance of the washing machine purchased by you in conjunction with this program shall be pursued with the retail outlet and the manufacturer or installation contractor.
