**Notice of Unclaimed Funds**

Pursuant to Government Code § 50050-50056, the Coachella Valley Water District (District) hereby issues notice that eligible, unclaimed funds held by the District for payments issued prior to December 31, 2018 that has remained unclaimed as of May 9, 2022 will be escheated to and become the property of the District.

This is a public notice that the District is in possession of certain refundable monies. A specific list of unclaimed monies and individual names of potential claimants is available on the District's website at <http://cvwd.org/544/Public-Notices>.

Government Code § 50050-50056 allows the District to make unclaimed monies available for general use and specifies that they must remain unclaimed on the District's books for a period of three years or more.

Anyone who has a legal claim to the Unclaimed Property must file a written claim with the Accounts Payable Division of the Finance Department at the contact information below on or before **May 9, 2022**. To ensure timely processing of your claim, please add "Unclaimed Property" on the subject line of your message.

The claim must identify the name of the claimant, the claimant's current address and phone number, the amount claimed, and the grounds on which the claim is founded. The Controller has the right to demand further proof of identity and other facts to establish any claim, and may accept or reject a claim. If the claim is rejected, the claimant may file a verified complaint seeking to recover all, or a designated part, of the Unclaimed Property in a court of competent jurisdiction within Riverside County and serve a copy of the complaint and summons upon the Controller. A copy of the complaint and summons must be served within thirty (30) days of receiving the District's notice the claim was rejected.
